## HCIEF BENEFIT AUCTION

**Auction items will be received in the ballroom from 7:00 am to 10:00 pm on Thursday, and from 7:00 am to 9:00 am on Friday. All auction items must be in place by 9:00 am on Friday. No items will be accepted after that time.**

**The starting bid for each lot will be \$20.00. If the lot does not receive a \$20.00 minimum bid, the lot will be passed. For items with reserves, the minimum reserve amount is \$25.00. Donors with individual items that will probably not meet the \$20 minimum starting bid requirement are encouraged to combine their items so as to make them more likely to sell.**

The Haviland Collectors International Educational Foundation Benefit Auction is the major fundraiser for HCIEF, so we need the participation of every member to make it a great success. We are asking that the Haviland to be auctioned be high quality pieces that are free of chips, cracks, or other damage. A committee will review the pieces prior to the auction.

Donors may elect to specify the particular fund to which HCIEF's percentage of the proceeds of their auction lots will be designated. These funds include archives, scholarship grants, and memorial funds. Any non-designated proceeds will be donated to the HCIEF general fund. A list of the funds to which auction proceeds may be designated will be provided at the conference.

For any item selling under \$250.00, twenty percent of the selling price will be considered to be a donation to HCIEF. For those items selling from \$250.00 to \$499.99, fifteen percent of the selling price will be considered to be a donation. If an item sells for \$500.00 or more, ten percent of the selling price will be considered to be a donation. Donations of items with 100% of the proceeds designated as contributions to HCIEF are of course most welcome and appreciated.

If you cannot attend the conference but wish to place items in the Benefit Auction, those items must have no reserves, unless prior written arrangements are made with an attendee who will be responsible for the items if they do not sell. Any items sent without this written designation and verification by the specified attendee will be considered donations to HCIEF. Any items sent for sale and determined by the committee to fall short of the minimum standard will be placed on the "Free Haviland" table unless an attendee has consented to be responsible for the return of those items.

Payment for auction items can be made by check or cash. HCIEF does not accept payment by credit card.

Checks for the proceeds of items consigned to the auction will be mailed to the seller shortly after the end of the conference.

If you have any questions, please contact Carolyn Quinlan at [cqhighnote@gmail.com](mailto:cqhighnote@gmail.com) or (217) 522-4564.

## FREE HAVILAND

If you have any pieces that do not meet the minimum standards for the auction, you are welcome to bring them to the conference and to place them on the "Free Haviland" table to offer to other conference attendees. If they are not taken, we request that you assume responsibility for them at the end of the conference.

## SHOW AND TELL

For this long-time favorite HCIF Conference event, please bring and share with us your best finds or a piece about which you want to learn more. **Please bring your Show and Tell items to the ballroom no later than 9:00 am on Friday.**

## TOUR

Our tour begins with a guided bus tour of the highlights and history of the Minneapolis/Saint Paul area. We will view Calhoun Lake and Lake of the Isles, Harriet Sculpture Garden at the Walker Art Center, downtown Minneapolis, the Mississippi Riverfront, Mill City Museum, Guthrie Theater, flour mills, and the University of Minnesota. In Saint Paul, we will view the Summit Avenue mansions, State Capitol, Rice Park, and downtown Saint Paul.

Our first visit will be to The Alexander Ramsey House, an historic home in Saint Paul. Lunch will be on your own at the Midtown Global Market, home to eighteen ethnic restaurants and specialty food vendors, as well as gift and art shops.

After lunch, we will visit the eclectic House of Balls, a fantastic and unique art gallery. Our last stop will be the Minnesota Museum of American Pattern Glass, home to one of the largest collections of American pattern glass in the United States. At both of these venues, you will have the opportunity to purchase items.

The tour bus will leave the hotel at 8:15 am on Thursday, June 7, and return about 4:00 pm. The cost of the tour is \$50.00. Lunch is on your own.
